

Member Benefits Program – 2019

Terms and Conditions

1. Rewarded points values are allocated at the discretion of the club and may be changed at anytime.
2. The points value of each item is allocated at the discretion of the club and the availability or the price of the item may be changed if required.
3. If an item is purchased using points or cash, they may be refunded if the initial product is not available.
Membership staff will contact you prior to doing so and an alternative solution will be our priority.
4. Points are calculated on an account basis ie. Members with multiple memberships within the one account, will only accrue one set of points per match attended.
